Humans vs. Zombies

This favorite game involves battles, running, and zombies chasing you. Yes, it is fun! Yes, kids adore it. Bring your boffers to play (if you don't have a boffer, stop by the Kid Zone each morning to make one for \$5).

Outdoor Movie Night

Bring your chairs or blankets to enjoy a movie night with others.

Bring your lunch by to talk about anything related to parenting!

Politics & Education Discussion

Led by Representative Erica Layon, learn about what happened with education in this legislative session and what the future holds.

Understanding EFAs

NH leads the nation with educational choice, and one of the ways we do this is through Education Freedom Accounts. Come find out about EFAs, the process, the restrictions, the benefits.

Unpopular Opinion Contest

Pineapple belongs on pizza. The Oxford comma is essential. Dogs are overrated. Whatever your hill to die on, bring your best argument and see if you can convince—or at least entertain—the audience. The judges will determine a winner, who will receive accolades and a really handsome trophy.

Young Child Time/Boffer Making

Parents with their little ones can stop by the Kid Zone to get to know other families. Bring toys and activities to share.
